Key Features & Project Scope:

The project includes the design, development, deployment, and initial setup of a modern single-vendor eCommerce platform with the following features and services:

- Modern and responsive eCommerce Website with Customer/User Panel
- UI/UX inspiration and feature direction based on [Star Tech Bangladesh](#) (high priority reference) and [Techland BD](#)
- Powerful Admin Panel with full management and operational control
- WebView-based Android Application for customers (included)
- WebView-based iOS Application for customers (included)
- High-performance backend architecture with scalable API support
- Full source code ownership transferred to the client (included in pricing)
- Initial automated data migration from the existing website/server and publicly available online resources (included in pricing)
- VPS server deployment, configuration, and implementation
- Basic operational and management training for the client team
- Responsive design optimized for desktop, tablet, and mobile devices
- Initial project setup, testing, and launch support included within the project scope

Detailed Technologies:

Web Application	Mobile App (Customer App)
• Frontend (Website): Next.js (SEO-Friendly, Fast Loading) • Admin Panel: React.js • API Backend: GoLang (Best Technology For High Traffic Website) • Database: PostgreSQL	• Android: WebView • iOS: WebView

Add-ons:

- Free Hosting for **6 (Six)** Months (6vCPU, 12 GB RAM, 100 GB SSD VPS)
- Free Support for **3 (Three)** Months

Pros:

- Exceptional loading speed
- Fully customizable design and features
- Tailored exactly to your specifications

Cons:

- Higher development cost
- Longer development timeline
- Requires highly experienced developers for future upgrades

Server Requirements (Min):

Items	Configuration
Hosting Server Type	VPS Server
Operating System (OS)	Ubuntu 22.04 or Higher
CPU	6 vCPU Cores
RAM	12 GB
Storage	100 GB NVMe

Ambition Cloud shall not be held responsible for any data loss, downtime, business interruption, or financial loss resulting from such suspension or termination of services.

Terms & Conditions

1. Offer Validity

This quotation/proposal is valid for 21 days from the date of issue. The validity period may be extended upon written request from the client.

2. Scope of Work & Change Requests

- The project estimate is based on the requirements, materials, and discussions provided by the client at the time of quotation.
- Any addition, removal, modification, or change in project requirements during the project cycle may affect the project timeline, man-hours, and pricing.
- All change requests will be treated as additional work unless otherwise agreed in writing and may incur additional charges.
- Any hidden, undisclosed, or newly identified tasks after the quotation is provided will be considered outside the original scope and quoted separately.
- Decisions or modifications requested during project execution may require approval from Ambition Cloud and may result in a revised quotation or delivery timeline.

3. Payment Terms

- All payments made for the project are prepaid unless otherwise agreed in writing.
- Ambition Cloud reserves the right to pause, suspend, or cancel the project if agreed payments are not made or cleared on time.

4. Data Backup, Hosting & Migration

- Website backup and restoration are dependent on the hosting environment.
- If the client uses third-party hosting services, Ambition Cloud will not be responsible for any data loss, corruption, downtime, or damage during migration, transfer, backup, or restoration processes.
- Standard backup policies apply only to hosting services provided directly by Ambition Cloud.
- Data migration or server migration, if required, is considered an additional service and will be quoted separately after free support period.

5. Source Code & Ownership

- The source code, system architecture, frameworks, and development assets created under this project shall remain the intellectual property of **Resource Technology**, unless otherwise agreed in writing.
- **Resource Technology** retains full ownership rights over the product, including the right to reuse, modify, distribute, license, resell, or transfer the source code and related project assets.
- **The client** retains full ownership of their own business data, documents, media, and content provided for use within the project.

6. Confidentiality & Privacy

- Both parties agree to maintain confidentiality regarding all non-public information shared during the project.
- Ambition Cloud will take reasonable measures to protect the client's confidential information from unauthorized access or disclosure.
- Neither party may disclose confidential project information to any third party without prior written consent from the other party.
- Ambition Cloud complies with applicable international privacy and confidentiality standards and may sign a Non-Disclosure Agreement (NDA) if required.

7. Timeline & Project Delivery

- Project timelines and deadlines are based on the agreed scope of work.
- Any delay in approvals, feedback, content delivery, or payments from the client may affect the delivery schedule.
- The project completion date cannot be changed unless mutually agreed upon in writing.
- Ambition Cloud reserves the right to extend deadlines in cases of unavoidable circumstances, including but not limited to strikes, riots, public holidays, natural disasters, industrial actions, or other events beyond reasonable control.
- Any request for extended working hours, urgent delivery, or accelerated deadlines may result in additional charges if approved by the client.

8. Force Majeure

Ambition Cloud shall not be held responsible for delays or failure to perform due to circumstances beyond reasonable control, including but not limited to natural disasters, war,

terrorism, riots, strikes, epidemics, floods, fires, earthquakes, hurricanes, power failures, internet outages, or governmental restrictions.

9. Disputes & Project Suspension

- In the event of a dispute, Ambition Cloud reserves the right to suspend or stop the project until the matter is resolved.
- Both parties agree to attempt mutual resolution for any issue not specifically covered in this agreement.

10. Estimate & Unused Hours

- Estimates are approximate and based on currently available information.
- If the project is completed in fewer hours than estimated, the remaining hours may be used for training, support, revisions, or future assistance at Ambition Cloud's discretion.
- Unused hours are non-refundable unless otherwise agreed in writing.

11. Errors & Client Responsibility

- Ambition Cloud is not responsible for incorrect information, data entry errors, or materials provided by the client, including any legal or operational consequences resulting from such errors.

12. Agreement Acceptance

- This quotation/proposal does not automatically confirm project acceptance unless approved and signed by an authorized representative of Ambition Cloud.
- Proceeding with the project, signing the agreement, or making payment confirms that the client has read, understood, and agreed to all terms and conditions stated above.
- Any questions or misunderstandings regarding these terms should be clarified before project commencement.

Thank you for reviewing this financial proposal. We appreciate your time and consideration, and we look forward to your response and the opportunity to work with you.
